## Testimonials from some previous participants:

“These past few days have been fun! I really enjoyed this course because I met new friends, got to know the school better so that I am not confused when the first day of school comes.”

“I really learned a lot from this program. In the 4 days of this course, I am finally feeling comfortable coming to high school. I enjoyed meeting new people and getting to know them.”

“I really liked this program because it got me motivated to really put effort into doing well and trying my best.”
