Being on a school team should be an enjoyable and rewarding experience for our student athletes. It allows for a greater level of competition and skill development than is usually achieved in our intramural and physical education programs. It does, however, carry an additional set of responsibilities and expectations.

### Student Athlete Code of Conduct

Representing Blair Ridge Public School on a school team is a privilege that is granted to those students who have earned it. Our competitors, parents, officials, and spectators will judge our school by the manner in which our athletes conduct themselves. Consequently, only those students who conduct themselves appropriately, regardless of athletic ability, will be allowed to participate on school teams.

Team Name & Division: Junior Boys Basketball Season: 2018/2019

The following Code of Conduct guidelines have been established for student athletes at Blair Ridge P.S.:

1. It is expected that each student athlete will do the best he/she can do during all games and practices. No coach will expect more or accept less.
2. Each student athlete is expected to be a "team" player and to be supportive of all other team members.
3. Each student athlete is expected to display the qualities of good sportsmanship and fair play, and to play the game according to the letter and spirit of the rules.
4. It is important that the student athlete maintains acceptable levels of achievement, effort, behaviour and attitude with respect to school. Concerns by any staff member about any student, may result in that student being suspended from participation, or dismissal from the team. Student first – athlete second.
5. Students on school suspension are not permitted to participate in any school-related activities, including extra-curricular teams and clubs while on suspension and are not permitted on school property to watch school-related activities.
6. The ability and judgement of the referee or official is not to be questioned by any student athlete or parent. Any displays of disrespect will result in the immediate removal from the game and may result in removal from the team.
7. "Trash-talking" during practices and games is NOT tolerated. It is also inappropriate to participate in behaviour that embarrasses or humiliates another player.
8. The coaches are in charge of the team and of the players on the team. They will make decisions concerning the team and the players on the team.
9. Student athletes with questions or concerns about their role on the team should address their concern(s) directly with the coach. Parents are asked to allow student athletes to speak directly with the coach on their own behalf.
10. Schedules are distributed to athletes and posted on our school website. Blair Ridge also utilizes Twitter to post weekly gym/field schedules. Please refer to these resources when looking for lost forms and schedule information. On practice and game days, student athletes should arrive at school with all clothing and equipment necessary to participate in the team event. The office phone is not for calling home to request forgotten equipment or clothing.
11. Student athletes who participate in school sports should have fun doing so!
12. If required, each athlete will pay a deposit for a team jersey. This deposit will be refunded to the athlete on the condition that the jersey is returned laundered and in the same condition it was when loaned to the student. Jersey deposits will only be accepted through School Cash Online.
