

The Durham District School Board is concerned with the **HEALTH, SAFETY & WELL-BEING** of all our school community members—both while at school and out in the community

SAFETY TIPS

WHEN LEAVING SCHOOL PROPERTY DURING BREAKS, LUNCH, OR TRAVELLING TO AND FROM SCHOOL:

ROAD SAFETY

Cross at a pedestrian crosswalk, and obey traffic signals

When crossing the road, ensure that it is safe to cross by looking all ways before proceeding

Be aware of your surroundings, and be extra cautious if wearing earbuds or headphones

WELL-BEING

Find healthy alternatives to smoking or vaping

If you do smoke or vape, you must be at least 20m from school property (approximately 3 car lengths)

COURTESY

Provide space for people to pass safely on sidewalks

Avoid gathering in front of private property or blocking entrances and exits

Keep your community free of litter
