Grade 10 Career Studies, Open

COURSE OUTLINE

COURSE DESCRIPTION

This course teaches students how to develop and achieve personal goals in education and work and contribute to their communities. Students learning will include assessing their own knowledge, skills, and characteristics. Students will also investigate economic trends, workplace organization, work opportunities, and ways to search for work. The course explores post-secondary learning options, prepares students for community-based learning, and helps them build the capabilities needed for managing work and life transitions. Students will design action plans for pursuing their goals.
