

Henry Street High School

TGJ 4M1

Communications Technology, Grade 12, University/College Preparation

COURSE OUTLINE

COURSE DESCRIPTION

This course enables students to further develop media knowledge and skills while designing and producing projects in the areas of live, recorded, and graphic communications. Students may work in the areas of TV, video, and movie production; radio and audio production; print and graphic communications; photography; digital imaging; broadcast journalism; and interactive new media. Students will also expand their awareness of environmental and societal issues related to communications technology, and will investigate career opportunities and challenges in a rapidly changing technological environment.

UNITS OF STUDY

UNIT 1 – Photography and Digital Imaging

UNIT 2 – Audio Production

UNIT 3 – Video Design and Production

UNIT 4 – The Internet and Website Design
