Students who are issued a permit to park their vehicles on school property must recognize that using the parking lot is a privilege and they must respect the following conditions:

- They must use the areas designated for student use only and not park in staff parking;
- They are not to park along the curbs in front of the school nor along the curbs in the parking lots;
- They must drive in a responsible and safe fashion;
- They are not allowed to play music from their car radios in the parking lot;
- They are not allowed to sit in parked vehicles or loiter in parking lots.

Failure to respect the rules outlined above may result in revoking the parking permit. In addition, students should note that smoking in vehicles on school property, which includes the school parking lots, constitutes an infraction of the *Tobacco Control Act* and may lead to the imposition of a fine by the Tobacco Control Officer.

By signing this form, the student acknowledges having read the above rules and agrees to abide by them.
