

Good afternoon,

We have had a very successful and extremely hot week back with students quickly adapting to the new routines, teachers and classmates. Given the warm weather it is important that students **dress appropriately for the weather conditions** and come to school with a **refillable water bottle** as the school does get extremely warm.

All volunteers in the school and on trips are expected to have a **criminal reference check** on file with the school. A letter from the school indicating you need the check to volunteer is available in the office and reduces the cost to \$20.00.

The SCC begins **pizza days** this Thursday and will continue every Thursday unless otherwise notified. Pizza is sold by the slice and there is no pre-ordering. **Volunteers are needed** to assist and can register to assist using the following link: <https://signup.com/client/invitation2/secure/2266517/false#/invitation>

The **Fresh from the Farm fundraiser** is back! Forms are being sent home today. Please see the attached order form as well. Orders are due on Oct. 11 to the school.

A reminder that **Meet the Teacher night is on Tuesday September 11th** beginning at 6:30 pm in the gym. Classrooms will be open from 6:45 to 7:45pm. We look forward to seeing many of you on Tuesday.

Gifted testing forms have been sent home with grade 3 students. They are due back to the school no later than September 21st. If you are interested in having your child in grades 4-8 tested, please contact Mrs. Clark and she will provide you with a form.

Thank you for your cooperation and understanding with the **new no stopping signs**, which have been designed to ensure student safety. We are working with Board staff to see what can be done to alleviate some of the congestion. Students are encouraged to walk to school if possible.

Have a great weekend and hope to see you on Tuesday.

John Love

Principal
